

4821 Reconstruction

Update October 31, 2010

The Hubbell Corporation has been selected to rebuild 4821 building.

The Building Plans continue to be reviewed by the City of Urbandale. A structural engineer has completed an inspection of the existing structure.

The Hubbell Corporation is working with the engineering firm to complete the modifications to the existing structure.

Floor plans can be obtained by contacting Property Management of Iowa at the following addresses:

Web Site: <http://www.pmiowa.com/plumwoodfire.html>

We can mail copies of the plans to you upon request by calling 515 963-1717.

Contact Information for Randy Snider at Hubbell Corporation:

HUBBELL REALTY COMPANY 6900 Westown Parkway West Des Moines, Iowa 50266 Business: (515) 283-5198

Hubbell Corporation will be contacting each Owner directly to discuss the selection of building components over the next 30 days.
